

Installation Guide

1. Download the application for iOS or Android

2. After the installation finishes, the app icon will now be available in your device. Tap once to start using the application.

3. The app will prompt you to enter the mobile number given to the transport department during registration.

4. In the event that two or more of your wards are studying in the School, you can use any of the student IDs as the login username and you can view both student's status in the same account.
